PPWR COMPLIANCE DECLARATION

Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)

EEC Electronics hereby declares that the packaging used for its supplied products is selected and managed in accordance with the applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

This declaration covers the following packaging materials used for our products and their transportation:

- Corrugated cardboard product boxes
- Corrugated cardboard shipping cartons
- Wooden transport pallets

We confirm that, based on the information, specifications and compliance documentation provided by our packaging suppliers, the above-mentioned packaging is assessed against the applicable requirements of Regulation (EU) 2025/40.

Relevant packaging specifications, material information and supplier documentation are maintained as supporting documentation and are reviewed as necessary in case of changes to packaging materials, suppliers or applicable regulatory requirements.

This declaration is issued for the purpose of confirming the PPWR compliance status of the packaging used for products supplied by EEC Electronics.

For and on behalf of EEC Electronics

ELEKTRONIK CIHAZLAR SANAYİ VE TİCARET A.Ş.
